Ref. : F001

Complete Kit underrun protection with medium connecting members for 3.5T (for subframe 1000 mm) - Length 2150 mm

Ref. : F000

Complete Kit underrun protection with short connecting members for 3.5T (for subframe 1320 mm) - Length 2150 mm

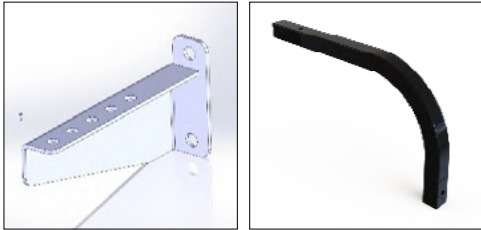

Ref. : F006

Complete Kit underrun protection with long connecting members for 3.5T (for subframes 700 / 740 / 850 mm) - Length 2150 mm

Ref. : F007

Complete Kit underrun protection for 7.5T vehicle
Cannot be sold separately for regulatory reasons

Ref. : R100

Bracket + long connecting member for 3.5T - for subframes 700 / 740 / 850 mm

Ref. : R102

Bracket + short connecting member for 3.5T - for subframe 1000 mm

Ref. : R101

Bracket + Connecting member for 7.5T vehicle - for subframe 1320 mm

Ref. : R110

Underrun protection profil Length 2150 mm + 2 endcaps

Ref. : R116

Set of caps (2 left caps + 2 right caps)

Sold per Unit

Ref. : F10E

Mudguard kit for twin wheel DRW 3.5T (450x440x890 mm) + Mudguard brackets length 448 mm + screw kit

Ref. : R202

Mudguard kit for twin wheel DRW 3.5T (450x440x890 mm)

Sold per Unit

Ref. : F10C

Mudguard kit for single wheel SRW 3.5T (260x440x890 mm) + Mudguard brackets length 448 mm + screw kit

Ref. : R203

Mudguard kit for single wheel SRW 3.5T (260x440x890 mm)

Ref. : R214

Kit 2 mudguards brackets length 448 mm

Sold per Unit

Ref. : F10F

Kit Mudguard twin wheel DRW 7.5T (510x580x mm) + white edging + mudguard bracket 548 mm + screw kit

Ref. : R204

Kit Mudguard twin wheel DRW 7.5T (510x580x mm)

Ref. : R215

Kit 2 mudguards brackets 548 mm

Length of mudguard brackets depends on vehicle type : please indicate serial number of tipper or type of vehicle.
To find your serial number, please search the label on driverside (front panel or subframe) as shown on page 3.

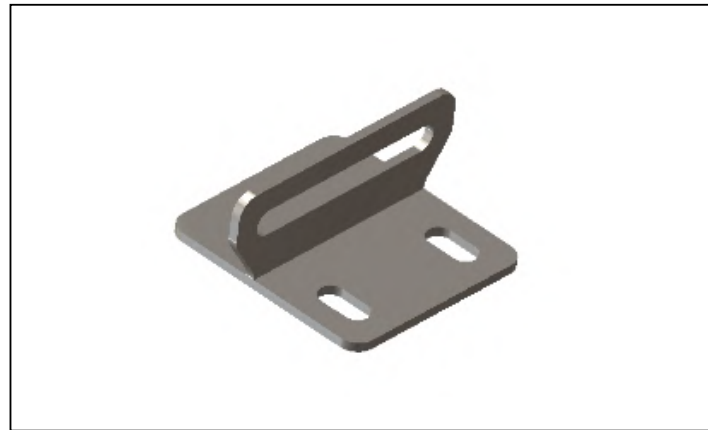

Ref. : R220

Kit Mudflaps single wheel SRW 260x300 mm Logo JPM + screw kit (set of 2)

Ref. : R221

Kit Mudflaps twin wheel DRW 400x300 mm Logo JPM + screw kit (set of 2)

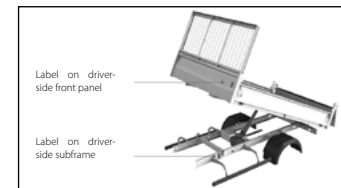

Overview - not exhaustive

Study according to vehicle serial number

To find your serial number, please search the label on driverside (front panel or subframe) like this :

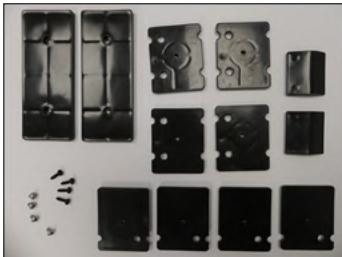

SPECIFIC PARTS

REAR TIPPER & 3-WAY-TIPPER

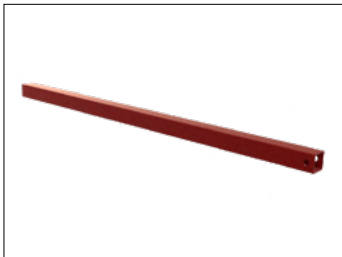

Ref. : R4A1

2 tipping shafts (only for rear tipper)

Ref. : RD03

Set of 2 tipper stops and buffers (only for rear tipper)

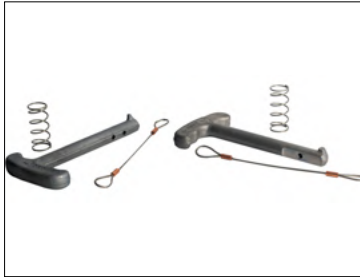

Ref. : RD07

Safety strut + plastic end cap

3 WAY TIPPER

ORIGINAL

VULCAIN

Ref. : RD0J

Locking pin for ball diameter 60 for 3-way-tipper
(set of 2 pieces)

ORIGINAL

VULCAIN

Ref. : R4A4

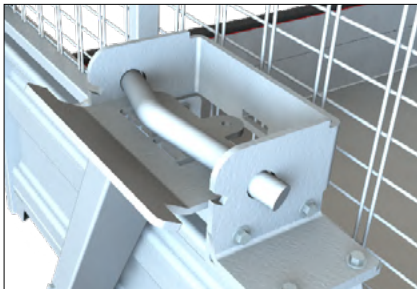

Ball bearing (set of 4 pieces)

REMOVABLE TIPPER

Ref. : R4A3

2 Rear rolls in aluminium

Ref. : RD0H

Anti-theft system only on removable tipper

REAR TIPPER

Ref. : R500

Power pack rear tipper 12v 180 bar

Ref. : R501

Power pack rear tipper 24v 180 bar

Ref. : R502

Power pack rear tipper 12v 180 bar
(range 75 - 7.5T vehicle)

3 WAY TIPPER

Ref. : R510

Power pack rear tipper 24v 320 bar

Ref. : R511

Power pack 3-way tipper 12v 320 bar

Ref. : R520

Power pack Pick up 12v 180 bar

Ref. : R530

Power pack with 2 cylinders for 7.5T vehicle
Tank 15l 180 bar

Ref. : R560
Switch relay 12v

Ref. : R561
Switch relay 24v

Ref. : R585
Fuse 250 Amp

Ref. : R586
Circuit breaker lateral tilting for 3-Way tipper

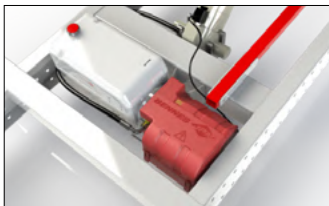

Ref. : R660
Flow restrictor

Ref. : R581
Circuit breaker

Ref. : R583

Plastic cover for power pack protection

Red cover : standard oil,

Green cover : biodegradable oil

Ref. : R570

Electric cable 2 m

Ref. : R571

Electric cable 5 m

25 mm² cross-section

Ref. : RD09

Buzzer for tipping process (supplied with pressure controller + wire)

Ref. : RD10

Pressure controller only

REAR TIPPER

Telescopic cylinder

Depending on tipper length

Ref. : R600

Telescopic cylinder 296

Ref. : R602

Telescopic cylinder 307

Ref. : R605

Telescopic cylinder 445

Ref. : R601

Telescopic cylinder 306

Ref. : R604

Telescopic cylinder 345

Cylinder is supplied alone – Solenoid valve has to be ordered separately

CYLINDER

3 WAY TIPPER

Ref. : R621

Tipping hoist with compass system 3.5T

Ref. : R622

Tipping hoist with compass system 5.5T

Ref. : R631

Solenoid Valve 12v Length 800 mm

Ref. : R632

Solenoid Valve 12v Length 3200 mm

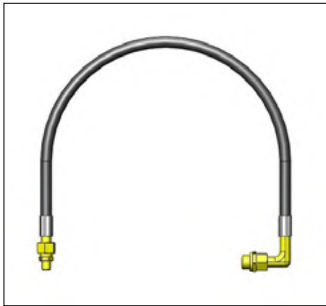

Ref. : R633

Solenoid Valve 24v Length 800 mm

Cylinder is supplied alone – Solenoid valve has to be ordered separately

Ref. : R640

Flexible hose telescopic cylinder length 1200 mm

Ref. : R641

Flexible hose tipping hoist with compass system (set of 2 hoses)

Ref. : R550

Wired remote control 7m

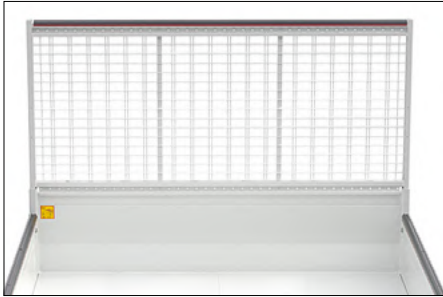

Ref. : OH22

Wireless remote control

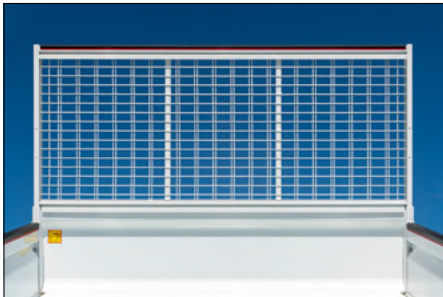

Complete set with transmitter and receiver

Ref. : R705

Standard gantry steel wire meshed
(without plastic protection - should be ordered separately)

Ref. : R707

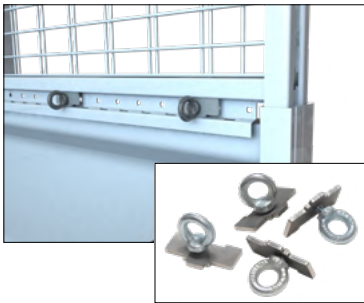

Standard gantry aluminium wire meshed
(without plastic protection - should be ordered separately)

GANTRY

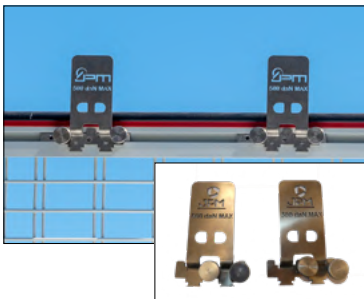

Ref. : OD0D

Kit 2 lashing points for steel gantry
TUV-certified DaN

Ref. : OD01

Set of 4 lashing rings

Ref. : OD0N

Set of 2 load stops 400 DaN

Ref. : OD0Q

Reinforced polypropylene filling for gantry (2080 x 900 mm)

Ref. : OD0J

Reinforcement double bar with protection

Ref. : OD04

Plastic protection for steel gantry

Plastic protection for alu gantry

Length 2000 mm for tipper width up to 2080 mm

Length 2500 mm for tipper width up to 2280 mm

Ref. : O791

Set of 4 mounting removable brackets

(From 2022)

REAR TIPPER - 3 WAY TIPPER

Ref. : RB20

Steel rear pillar left (complete set)

Ref. : RB21

Steel rear pillar right (complete set)

Ref. : RB92

Set of 2 closures for rear pillars

Ref. : RB93

Set of 2 plugs for rear pillars

DROPSIDE

Full Alu Dropside

Ref. : RB70

Alu rear pillar left

Ref. : RB71

Alu rear pillar right

Full Steel Dropside

Ref. : RB40

Steel rear pillar left

Ref. : RB41

Steel rear pillar right

Aluminium dropside wood platform

Ref. : RBA0

Alu rear pillar left

Ref. : RBA1

Alu rear pillar right

REAR DOOR

STANDARD rear door, height 450 mm with automatic opening

REAR TIPPER - 3 WAY TIPPER

Ref. : RC20

Vulcain steel rear door, automatic opening, height 450 mm
(without plastic protection)
For Vulcain steel range

Ref. : RC50

Vulcain aluminium rear door, automatic opening, height 450 mm
For Vulcain aluminium range

Ref. : RC54

Original aluminium rear door, automatic opening, height 450 mm
(without plastic protection)

Ref. : RC82

Set of 2 rubber buffers stops

Ref. : RC84

Set of 2 rubber buffers stops for Easydoor Original rear door (RC56)

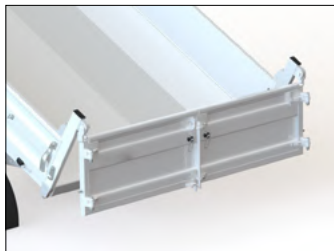

REAR DOOR

UNIVERSAL rear door, height 450 mm: double-winged door with automatic opening

Ref. : RC22

UNIVERSAL rear door Steel - Height 450 mm
For Vulcain steel range

Ref. : RC53

UNIVERSAL rear door Aluminium - Height 450 mm
For Vulcain aluminium range

Ref. : RC55

UNIVERSAL rear door Aluminium Original - Height 450 mm
Supplied with 1+1 locking clamps left and right (ref. RC87)
For Original aluminium range

Ref. : RC32

Set of screws for universal door

Compatible with the steel universal door (RC22 & RC53)
and with the old model aluminium universal door

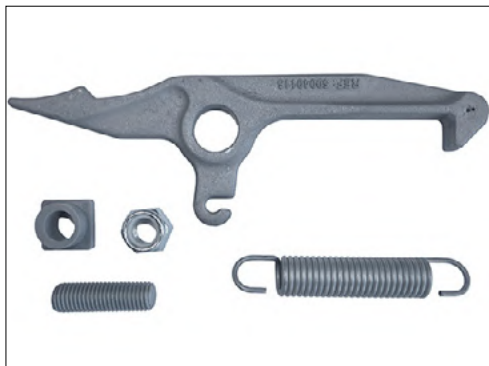

Ref. : RC51

EASYDOOR Rear Door Vulcain- Height 400 mm, automatic opening + tilting with door opened downwards
Only available in aluminium

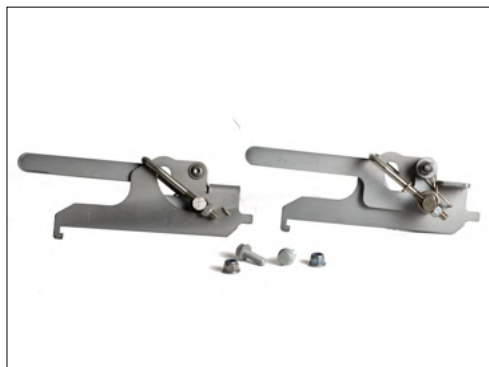

Ref. : RC56

EASYDOOR Rear Door Original - Height 450 mm, automatic opening + tilting with door opened downwards
Only available in aluminium
Supplied with 1+1 locking clamps left and right (ref. RC87)

Ref. : RC86

Detaching hook + Galvanised spring

Ref. : RC87

Set of 2 locking clamps - right / left frame
For Easydoor rear door and Original universal rear door
For Original aluminium range

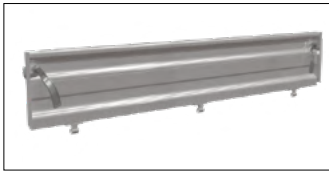

DROPSIDE

Ref. : RC21

Rear Door full steel dropside - Complete set - Height 350 mm
For Vulcain steel range

Ref. : RC52

Rear Door full alu dropside - Complete set - Height 350 mm
For Vulcain aluminium range

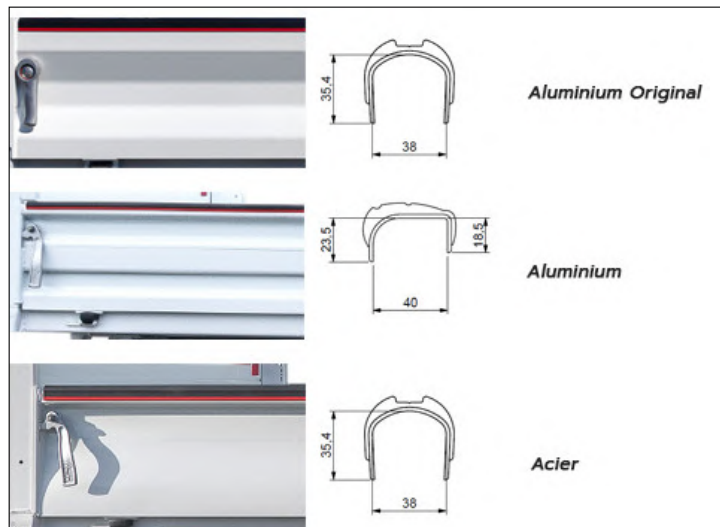

Ref. : RC70

Rear door Alu dropside wood platform - Complete set
Anodised alu - Height 400 mm
Not compatible with plastic protections

Ref. : RA48

Set of 1 + 1 side panel locks without safety latch - Left + right
Height 400 mm
For rear door

Ref. : O600

Plastic protection for rear door
For Vulcain steel range or aluminium Original range
(RC20 - RC22 - RC54 - RC55 - RC56)

Ref. : O604

Plastic protection for rear door
For Vulcain aluminium range (RC50 - RC51 - RC53)

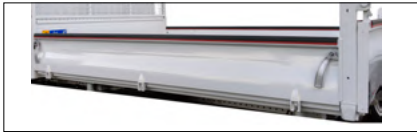

Ref. : RA50

Set of 1 + 1 handgrips for sideboard & EASYDOOR rear door right and left
For Vulcain range

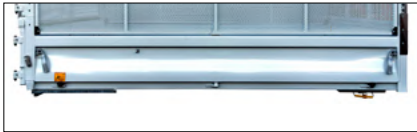

Ref. : RA55

Set of 1+1 sideboard handles Original right and left
For Original range

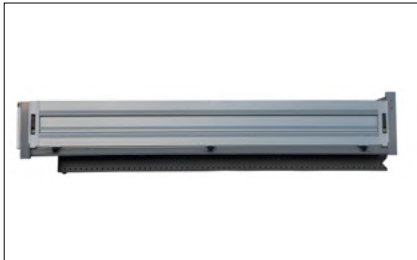

Ref. : RA00

Steel Sideboard - Height 350 mm

Ref. : RA03

Steel Sideboard - Height 400 mm - 75 range

Ref. : RA42

Alu sideboard for Dropside wood platform Height 400 mm
Anodised alu

Ref. : RA49

Set of 1 + 1 side panel locks with safety latch - Left + right
Height 400 mm
For sideboard

Ref. : RA40

Vulcain range aluminium sideboard for rear tipper, 3-way tipper, dropside
Height 350 mm

Ref. : RA41

Vulcain range aluminium sideboard for rear tipper, 3-way tipper, dropside
Height 400 mm

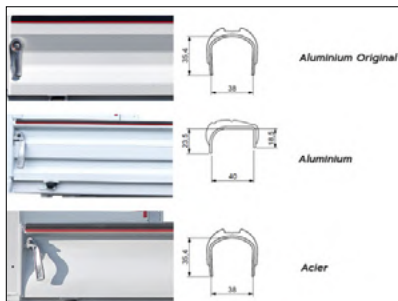

Ref. : RA43

JPM Original range aluminium sideboard, Enterprise 3-way tipper
(without protection)
Height 400 mm

Delivered as a complete set, ready to install

Ref. : OF00

Plastic protection for steel sideboard (2 pieces)

For Vulcain steel range and Aluminium Original range (35,4 x 38 mm) (RA00/RA43)

Ref. : OF01

Plastic protection for alu sideboards (2 pieces) except dropside Wood platform

For Vulcain aluminium range (RA40)

(23,5 x 40 x 18,5 mm)

Ref. : RA53

Set of 6 sideboard stops

For Vulcain sideboards

Ref. : RA56

Set of 6 sideboard stops

For Original Aluminium range

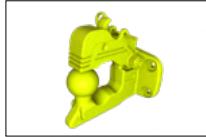

Ref. : OF0E

Lift assist spring kit for sideboard

Consult us (depending on material or width of sideboard)

Ref. : OB00

Complete kit TRIVA ENTREPRISE (without cover plate)

Triva Entreprise = ICC bar + Head stock + 1 coupling height

Head stock approved up to GVWR ≤ 11 T (depending on the vehicle)

ICC bar approved up to GCWR ≤ 7.5 T (depending on the vehicle)

One coupling height : mixed hook

Coupling not included (cf. OB33) - depending on subframes - contact us

Ref. : OB01

Complete kit TRIVA TP

Triva TP = Rear ICC bar + Head stock + 2 coupling heights

Triva approved in compliance with UN Regulations 55R01 and 58R03

Head stock approved up to GVWR ≤ 9 T

ICC bar approved up to GCWR ≤ 5.5 T

2 towing heights:

- Ball hook at regulation height
- Clevis hitch adhering to the regulatory clearance of the ball and ideally positioned for drawbar eye

For vehicles registered before July 2024

Ref. : OB30

JPM towing pin (manual)

Caution : not allowed by road traffic regulations of some countries

Trailer capacity $\leq 3T5$ + depending on vehicle

Ref. : OB31

JPM towing ball diameter 50

Ref. : OB33

Mixed apple tree hook

Caution : not allowed by road traffic regulations of some countries

Trailer capacity $\leq 3T5$ + depending on vehicle

Ref. : OB35

MINITRACT semi-automatic towing pin

Trailer capacity $\leq 3T5$ + depending on vehicle

Ref. : OB36

Plug + pin + cable

For OB30

Ref. : RE01

Cover plate

Depending on subframes - contact us

Ref. : OB10

Towing device adapter 13 to 7 pin

Ref. : OB12

24V / 12V voltage divider

Ref. : OB20

For vehicle predisposed

Ref. : OB2X

Towing device plug predisposed - specific to each type of vehicle

For vehicle no predisposed

LIGHT BRACKETS

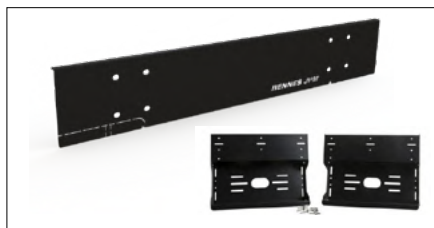

Ref. : OC00

TRIVA ENTREPRISE Light brackets right/left (set of 2 pieces)

Ref. : OC01

TRIVA TP / DUAL TRIVA Light brackets (set of 2 pieces)

Ref. : OC02

Light support on cover plate (1 unit)
Depending on subframes - contact us

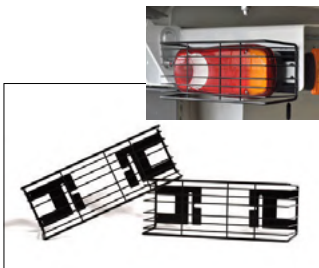

Light brackets & light protections :
please indicate brand, model, single or twin rear wheels

Ref. : OC10

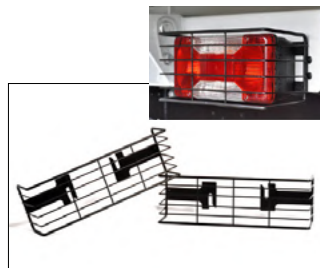

Homologated light protections compatible with :

Ref. : RC1B

Headlamp grills for VIGNAL
